Welcome Aboard

From Club President Teresa Evans

Welcome to the first edition of our club bulletin for 2025! As we embark on a new Rotary year, I am honored to serve as club President and excited about our journey ahead. This bulletin marks our commitment to improving communication, connection, service and impact. Together, we will celebrate our achievements, share inspiring stories, and stay informed about the incredible work happening within our club and beyond. Let us embrace this opportunity to strengthen our partnerships, friendships and continue making a meaningful difference in our community both local and international.

We Have An Exciting Month Ahead

The month of October is packed with opportunities to serve, connect, and grow together as a club. From community projects and fellowship events to planning future initiatives, there's something for everyone to get involved in.

Your participation is what makes our club thrive.

Whether you're lending a hand at an event, sharing ideas at meetings, or inviting a guest, every effort counts. Let's embrace the Rotary spirit of Service Above Self and support one another as we make a meaningful impact. Looking forward to seeing our club active and engaged in the weeks ahead!

Not All Heros Wear Capes. Some Wear Aprons.

They say not all heroes wear capes — some wear aprons! A big shoutout to our Club Members for being the best Bunnings BBQ cooks around. Dedication, skill with the tongs, and tireless Rotary spirit makes our sausage sizzle a real success. Thank you to everyone for turning simple snags into smiles and helping raise funds for the local and international community. You've proven once again that Rotary service can be both fun and impactful.

Up coming BBQ Dates

To coincide with World Mental Health Day, we are asking all Club Members to wear a creative or crazy hat to our Bunnings BBQ on Wed 5th November to support Rotary Hat Day.

School Transition Scholarship

We are excited to have kicked off a new High School Transition Scholarship Program to support the growth and development of young people in our community. The purpose of this one-off scholarship grant of \$300 is to assist young people in our local community who are at a critical education transition point to prepare for high school. The scholarship is aimed at assisting a family in financial hardship and presents the recipient's family with a \$250 uniform voucher to be used at the high school, along with a \$50 Officeworks gift card to be used for school stationary items.

Five local primary schools have been invited to nominate a Year 6 student from their school who is from a family that is financially disadvantaged and who would benefit most from the scholarship.

The recipient is to be enrolled at a local public high school. We will be presenting the scholarships to the family representatives and students as coordinated with the school representatives around 21 November 2025.
